

Installation template for Gainsborough 980H Slim Style Trim Plate

This Gainsborough 980H Slim Style Trim Plate is held in place on the door by the through fixing of a Gainsborough deadbolt (through top hole) and a Gainsborough leverset on round rosettes (through bottom hole). The deadbolt requires the installation of a deadbolt latch through the door edge. The leverset on round rosettes requires the installation of a tubular latch through the door edge. Please refer to the specific installation instruction sheets for the above mentioned additional Gainsborough door hardware, included in the respective packs.
