Instructions: Gainsborough Freestyle 'Over-the-Air' Update to Matter

GAINSBOROUGH freestyle

Freestyle App

1. **Update firmware** -
Lock settings >
Firmware update >
Install update

2. **Matter Enable** -
Lock settings >
Matter enable > OK

3. **Generate QR code**

4. **Download or share QR code**

Freestyle Trilock

5. **Complete setup on your lock**
Press the program button three times.

When successful, the lock will flash three times followed by three beeps.

Matter Ecosystem

6. **Connecting to Matter ecosystem**
Scan the generated Matter QR code using a Matter compatible mobile application (Amazon Alexa / Apple Home / Google Home / Samsung Smart Things) on your smartphone or tablet.

Follow the instructions in your chosen mobile app to add your lock and complete setup.

BATTERY COVER RELEASE TOOL

Using the supplied tool push through the hole to release the battery cover.
